From the late 1980s until 1996, Donna (Younkin) Logan organized her research findings into three-ring binders devoted to many of the earliest Younkin pioneers of southwestern Pennsylvania: Henry, Jacob, Frederick, John, Herman as well as Rudolph of Ohio, and cousins in Northampton County, PA. After Donna's untimely death on January 4, 2006, Donna's sister Jean entrusted genealogist Mark A. Miner with Donna's three-ring binders. Donna's family requested her research findings be accessible so that future generations could learn from her work. The expectation was that Younkin cousins would scan the binders in high resolution and share the binders electronically and widely.

Donna's sister Jean and her husband Jim Miller initially scanned the four volumes of Jacob Younkin books. From 2018 to 2020, many Younkin cousins helped with the scanning of thousands of pages in Donna's other three-ring binders. Linda Marker of Rockwood, PA placed the resulting folders of JPEG graphic image files in a OneDrive folder. She distributed links to the OneDrive folder online at the **National Younkin Younken Youngkin Family Reunion** page on Facebook.

In late 2024, Mark T. Youngkin combined hundreds of image files in each scanned book folder creating one PDF file for each of the nine notebooks. Youngkin added a cover page, links page, and index, then compressed each PDF book file to a manageable size for uploading to Facebook and the Internet Archive.
